EU Waste Policy Advisor on the latest  
developments and impacts of WEEE & RoHS

**工作坊：WEEE及RoHS指令 - 影響及對應方案**  
**Workshop: WEEE and RoHS Directives - Impacts and Solutions**

1/11/2006 (Wed) 9:15am-5:00pm

Ref No.:2006/259

The Hong Kong Green Manufacturing Alliance has invited two experts from Belgium to provide the latest information on RoHS and WEEE directives and suggest practical advice for compliance. This workshop will cover both RoHS and WEEE issues, with particular focus on WEEE execution in EU member states. The workshop is designed for Hong Kong manufacturers as well as companies planning to market electrical and electronics products in the EU market.

Date : 1 November 2006 (Wednesday)	Time : 9:15 am - 5:00 pm
Venue : Ballroom, Langham Hotel, 8 Peking Road, TST	Fee : HKD\$100 (Members/Non-Members)
Language : English (No interpretation service provided)	
Enquiries: Venus Ng (Tel: 2732 3108) or Wendy Fok (Tel: 2732 3199)	

Morning Session:

**Implementation of WEEE Directive in Europe**

The presentation will explain the WEEE Directive and the implementation of this Directive in Europe. Furthermore, information will be given on how to comply with the WEEE Directive in Belgium and other EU Member States.

Speaker Profile:

**Mr Ortwin MEEUWS, EU Waste Policy Advisor.** He obtained the Master degree in Chemistry and has additional studies in environmental technologies. He is a member of the Technical Adaptation Committee (TAC) of the WEEE Directive and a communications policy advisor.

Afternoon Session:

**WEEE & RoHS: Impacts and Solutions to Hong Kong Manufacturers**

The presentation will cover the impacts of WEEE & RoHS directives to Hong Kong manufacturers and provide possible compliance solutions. The presentation will also introduce the coming regulatory challenges and provide advice on how to prepare for them.

Speaker Profile:

**Mr. Roland D'Aubioul, managing director of Europe Asia Trading Consultant Agency (Eatca)**

Mr D'Aubioul is a Belgian with 27 years experience of industrial business experience, of which 17 years at Philips Consumer Electronics. He has extensive experience on providing WEEE & RoHS solutions to industries, including many supplier factory assessments and technical support services.
